

January 14, 2010

Dear Friend:

Thank you for your continued support of the Wisconsin Coalition for Person Directed Care and your recent response to our telephone survey. We appreciate your assistance in setting the goals and future activities of the Coalition.

We are excited to invite you to our first event, CONVERSATIONS with the Wisconsin Coalition for Person Directed Care. This Friends event will be held on Thursday, February 4th from 10 a.m. to 3 p.m. at Brewster Village in Appleton. We have planned a full day beginning with our keynote speaker, Glenn Blacklock, MA, LNHA from Action Pact, Inc. Glenn's experiences in culture change, creative thinking, and performance management will provide an engaging beginning to our day. After our keynote, there will be several opportunities for learning & networking. Breakout topics include 1) How to Begin PDC, 2) Consistent Assignment, 3) Dining Issues, & 4) Sustaining Culture Change. Each participant will have the opportunity to participate in two of the breakout conversations during the day.

This event is free to our Friends. We hope you use this event to share ideas and problem solve with other facilities. To register, complete registration form & send form to MetaStar, Inc., FRIENDS EVENT, Attention: Terri Curtis, 2909 Landmark Place, Madison, WI, 53713. Friends may also register via email at tcurtis@metastar.com.

Please register soon. We have a limited amount of space available for this event.

Thank you,

Wanda K. Plachecki, MA, NHA, Associate Administrator
Lakeview Health Center, West Salem
Chairperson – Wisconsin Coalition for Person Directed Care
